7. AUTHORITY FOR THE BUY BACK

The Buyback is being undertaken by the Company in accordance with Article 73 of its Articles of Association, the provisions of Sections 68, 69, 70 and 110 and all other applicable provisions of the Act, the rules hereunder and the Buyback Regulations. The Buyback is further subject to approvals, permissions, exemptions and sanctions as may be necessary, from time to time from statutory, regulatory or governmental authorities as required under applicable laws, including but not limited to SEBI and the Stock Exchanges.

The Board of Directors at its meeting dated August 23, 2019 has passed a resolution approving the Buyback of Equity Shares of the Company. As the Buyback is more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Act, it was necessary to obtain the consent of the shareholders of the Company to the Buyback by way of a special resolution. As per Section 110 of the Act read with other applicable provisions of the Act and rules made thereunder, in respect of Buyback of Equity Shares, the consent of the shareholders of the Company to the Buyback is required to be obtained by means of Postal Ballot, provided that the Company may transact such business at the General Meeting if the facility of voting by electronic means under Section 108 of the Act is given to the shareholders. Accordingly, the consent of the shareholders of the Company to the Buyback was obtained by means of a special resolution passed at the Annual General Meeting held on September 26, 2019 and the results of the same were declared on September 26, 2019.

8. NECESSITY OF THE BUY BACK

The Share buyback is the acquisition by a company of its own shares. The objective is to return surplus cash to the shareholders holding equity shares of the Company. Buyback is a more efficient form of distributing surplus cash to the shareholders holding equity shares of the Company, inter-alia, for the following reasons:

- (i) The Buyback will help the Company to distribute surplus cash to its shareholders holding Equity Shares broadly in proportion to their shareholding thereby enhancing the overall return for them;
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve a reservation of 15% of the number of Equity Shares which the Company proposes to buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the record date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback. The Company believes that this reservation for small shareholders would benefit a significant number of the Company's public shareholders, who would be classified as "Small Shareholders";
- (iii) The Buyback is generally expected to improve return on equity and improve earnings per share by reduction in the equity base of the Company, thereby leading to long term increase in shareholders' value; and
- (iv) The Buyback gives an option to the Eligible Shareholders to either (A) participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback, or (B) not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.
- (v) The Buyback will help in achieving an optimal capital structure.

9. MANAGEMENT DISCUSSION AND ANALYSIS AND THE LIKELY IMPACT OF BUY BACK ON THE COMPANY

9.1 The Buyback is not likely to cause any material impact on the profitability/ earnings of the Company except a reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. Assuming that the response to the Buyback is to the extent of 100% (full acceptance) from all the Equity Shareholders up to their Buyback Entitlement, the funds deployed by the Company towards the Buyback would be upto Rs.11,00,00,000 (Rupees Eleven Crores only) (excluding any expenses incurred or to be incurred for the Buyback like filing fee payable to SEBI, advisors'/legal fees, public announcement publication expenses, printing and dispatch expenses, other transaction costs viz. brokerage, applicable taxes such as securities transaction tax, GST, stamp duty, other incidental and related expenses, etc.).

The Buy-Back is in accordance with the provisions of Article 73 of the Articles of Association of the Company, Sections 68, 69, 70 and 110 of the Companies Act, 2013 as amended and in compliance with the Buyback Regulations. The Equity Shareholders approved the Buy-Back in its AGM held on September 26, 2019. The Buy-Back is subject to such other approvals, permissions and exemptions as may be required, from time to time from statutory authorities and / or regulatory authorities, including but not limited to SEBI and BSE. The Buy-Back Size does not exceed 25% of the fully paid-up Equity Share capital and free reserves as per the latest audited financial statements of the Company for the year ended March 31, 2019. The Company expresses no opinion as to whether Eligible Shareholders should participate in the Buy-Back and accordingly, Eligible Shareholders are advised to consult their own advisors to consider participation in the Buy-Back.
- 19.2. The aggregate shareholding of the Promoter as at the date of the Public Announcement is 70,47,171 Equity Shares which represents 58.03% of the total subscribed and paid-up equity share capital of the Company as on the date of Public Announcement. All the persons belonging to the Promoter and

Promoter Group of the Company, have vide their letters dated August 23, 2019, expressed their intention to tender their Equity Shares in the Buy-Back up to maximum of such number of Shares which is equal to their respective Entitlement under the Buy-Back and may also tender additional number of shares.

- 19.3. Assuming response to the Buy-Back is to the extent of 100% (full Acceptance) from all the Eligible Shareholders upto their Buy-Back Entitlement, the post Buy-Back shareholding of the Promoter of the Company will increase/decrease from 58.03% as on the date of the Public Announcement to [●] % of the post Buy-Back Equity Share capital.
- 19.4. **Record Date and Ratio of Buy-Back as per the Buy-Back Entitlement in each Category;**
- 19.4.1. As required under the Buyback Regulations, the Company has announced Friday, October 11, 2019, as the Record Date for the purpose of determining the Buy-Back Entitlement and the names of the Eligible Shareholders, who are eligible to participate in the Buyback Offer.
- 19.4.2. The Equity Shares proposed to be bought back as a part of this Buy-Back are divided into two categories:
- Reserved category for Small Shareholders ("**Reserved Category**"); and
 - General Category for all Eligible Shareholders other than Small Shareholders ("**General Category**")
- 19.4.3. As defined in the Buyback Regulations, a ("Small Shareholder") means a shareholder, who holds Equity Shares having market value, on the basis of closing price of the shares on the recognized stock exchanges with the highest trading volume in respect of such Equity Shares, as on the Record Date, is not more than Rs. 2,00,000/- (Rupees Two Lakhs only). As on Record Date, the volume of Equity Shares traded on BSE was [●] Equity Shares and the closing price was Rs. [●] and hence all Eligible Shareholders holding not more than [●] Equity Shares as on the Record Date are classified as 'Small Shareholders' for the purpose of the Buy-Back Offer.
- 19.4.4. Based on the above definition, there are [●] Small Shareholders in the Company with an aggregate shareholding of [●] Equity Shares as on the Record Date, which constitutes [●]% of the outstanding number of Equity Shares of the Company as on Record Date and [●]% of the maximum number of Equity Shares which the Company proposes to Buy-Back as a part of this Buy-Back.
- 19.4.5. In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be higher of:
- Fifteen percent of the number of Equity Shares which the Company proposes to Buy-Back i.e., 15% of 10,00,000 (Ten Lacs only) Equity Shares which works out to 1,50,000 (One Lac Fifty Thousand) Equity Shares; or
 - The number of Equity Shares entitled as per their shareholding as on Record Date i.e., $([●] \text{ total number of Shares held by Small Shareholders} / [●]) \times 10,00,000$ which works out to be [●] Equity Shares.

All the outstanding Equity Shares have been used for computing the Buy-Back Entitlement of Small Shareholders.

Based on the above and in accordance with Regulation 6 of the Buyback Regulations, [●] Equity Shares have been reserved for Small Shareholders. Accordingly, General Category shall consist of [●] Equity Shares.

- 19.4.6. In order to ensure that the same Eligible Shareholder with multiple demat accounts / folios do not receive higher Entitlement under Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (Small Shareholder or General) and Entitlement under the Buy-Back. In case of joint shareholding, the Equity Shares held in cases where the sequence of PANs of the joint Equity Shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding physical Shares where sequence of PAN is identical and where the PANs of all joint Shareholders are not available, the Registrar will check the sequence of the names of the joint Equity Shareholders and club together the Equity Shares held in such cases where the sequence of the PANs and the name of the joint Shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, FIs / FPIs etc. with common PAN shall not be clubbed together for determining their Entitlement and will be considered separately, where these Equity Shares are held for different schemes / sub-accounts and have different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of 'clearing members' or 'corporate body margin account' or

‘corporate body-broker’ as per the beneficial position data as on the Record Date with common PAN are not proposed to be clubbed together for determining their Entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

19.4.7. Based on the above Buy-Back Entitlements, the Ratio of Buy-Back for both categories is decided as below:

Category of Shareholders	Ratio of Buy-Back
Reserved category for Small Shareholders	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date
General category for all other Eligible Shareholders	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date

19.4.8. Fractional Entitlements:

If the Buy-Back Entitlement, after applying the above mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 (One) Equity Share), then the fractional entitlement shall be ignored for computation of Buy-Back Entitlement to tender Equity Shares in the Buy-Back for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold [●] or less Equity Share as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buy-Back Offer and will be given preference in the Acceptance of 1 (One) Equity Share, if such Small Shareholders have tendered Additional Equity Shares. The Company shall make best efforts subject to Buyback Regulations in accepting Equity Shares tendered by such Eligible Shareholders to the extent possible and permissible.

19.4.9. Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders:

Subject to the provisions contained in the Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-Back by the Small Shareholders in the Reserved Category in the following order of priority:

- (a) Full Acceptance (i.e. 100%) of Equity Shares from Small Shareholders in the Reserved Category who have validly tendered their Equity Shares, to the extent of their Buy-Back Entitlement, or the number of Shares tendered by them, whichever is less.
- (b) Post the Acceptance as described in the paragraph (a) above, in case, there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of ignoring the fractional entitlement), and have tendered Additional Shares, shall be given preference and 1 (One) Equity Share each from the Additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- (c) Post the Acceptance as described in paragraphs (a) and (b) above, in case, there are any validly tendered unaccepted Equity Shares in the Reserved Category Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be Accepted in a proportionate manner and the Acceptances shall be made in accordance with the Buyback Regulations, i.e. valid Acceptances per Eligible Shareholder shall be equal to the Reserved Category Additional Shares tendered by the Eligible Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Equity Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom 1 (One) Equity Share has been Accepted in accordance with paragraph (b) above, shall be reduced by 1 (One).
- (d) Adjustment for fractional results in case of proportionate Acceptance, as described in paragraph (c), will be made as follows:
 1. For any Small Shareholder, if the number of Additional Shares to be Accepted, calculated on a proportionate basis is not in the multiple of 1 (One) and the fractional Acceptance is greater than or equal to 0.50 (point five zero), then the fraction would be rounded off to the next higher integer.
 2. For any Small Shareholder, if the number of Additional Shares to be Accepted, calculated on a proportionate basis is not in the multiple of 1 (One) and the fractional Acceptance is less than 0.50 (point five zero), then the fraction shall be ignored.

19.4.10. Basis of Acceptance of Shares validly tendered in the General Category:

Subject to the provisions contained in the Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-Back by Eligible Shareholders (other than Small Shareholders) in the General Category in the following order of priority:

- (a) Full Acceptance (i.e., 100%) of the Equity Shares from Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buy-Back Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- (b) Post the Acceptance as described in paragraph (a) above, in case there are any validly tendered unaccepted Equity Shares in the General Category ("General Category Additional Shares") and the Equity Shares left to be bought back in the General Category, the General Category Additional Shares shall be Accepted in a proportionate manner and the Acceptances shall be made in accordance with the Buyback Regulations, i.e. valid Acceptances per Eligible Shareholder shall be equal to the General Category Additional Shares validly tendered by the Eligible Shareholder divided by the total General Category Additional Shares and multiplied by the total number of Equity Shares remaining to be bought back in General Category.
- (c) Adjustment for fractional results in case of proportionate Acceptance as described in paragraph 19.4.10 (b) above, will be made as follows:
 - (i) For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of 1 (One) and the fractional Acceptance is greater than or equal to 0.50 (point five zero), then the fraction would be rounded off to the next higher integer.
 - (ii) For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of 1 (One) and the fractional Acceptance is less than 0.50 (point five zero), then the fraction shall be ignored.

19.4.11. Basis of Acceptance of Equity Shares between Categories

- (a) After Acceptances of tenders, as mentioned in paragraphs 19.4.9 and 19.4.10 above, there are any Equity Shares left to be bought back in 1 (One) category ("Partially Filled Category"), and there are unaccepted validly tendered Equity Shares ("Further Additional Shares") in the second category ("Over Tendered Category"), then the Further Additional Shares in the Over Tendered Category shall be Accepted in a proportionate manner i.e., valid Acceptances per Eligible Shareholder shall be equal to the Further Additional Shares validly tendered by the Eligible Shareholder in the Over Tendered Category divided by the total Further Additional Shares in the Over Tendered Category and multiplied by the total Equity Shares to be bought back in the Partially Filled Category.
- (b) If the Partially Filled Category is the General Category and the Over Tendered Category is the Reserved Category, then any Small Shareholder who has received a Tender Form with zero Buy-Back Entitlement and who has tendered Additional Shares shall be eligible for priority Acceptance of 1 (One) Equity Share before Acceptance in paragraph 19.4.11 (a) above out of the Equity Shares left to be bought back in the Partially Filled Category, provided no Acceptance could take place from such Eligible Shareholder in accordance with paragraph 19.4.9.
- (c) Adjustment for fraction results in case of proportionate Acceptance, as defined in paragraph 19.4.11 (a) above, will be made as follows:
 - i. For any Eligible Shareholder, if the number of Further Additional Shares to be Accepted, calculated on a proportionate basis is not in the multiple of 1 (One) and the fractional Acceptance is greater than or equal to 0.50 (point five zero), then the fraction would be rounded off to the next higher integer.
 - ii. For any Eligible Shareholder, if the number of Further Additional Shares to be Accepted, calculated on a proportionate basis is not in the multiple of 1 (One) and the fractional Acceptance is less than 0.50 (point five zero), then the fraction shall be ignored.
 - iii. In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Board or any person(s) authorized by the Board will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in 19.

19.4.12. For avoidance of doubt, it is clarified that the Equity Shares Accepted under the Buy-Back Offer from such Eligible Shareholder, in accordance with above clauses, shall be lower of the following:

- (a) the number of Equity Shares tendered by the respective Eligible Shareholder; and

- 19.4.13. 21.4 THE COMPANY DOES NOT ACCEPT ANY RESPONSIBILITY FOR THE ACCURACY OR OTHERWISE OF SUCH ADVICE. THEREFORE, SHAREHOLDERS CANNOT RELY ON THIS ADVICE AND THE SUMMARY TAX IMPLICATIONS RELATING TO THE TREATMENT OF INCOME TAX IN THE CASE OF BUY BACK OF LISTED EQUITY SHARES ON THE STOCK EXCHANGE SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

21.5 GENERAL

- a. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 to March 31. A person who is an

Indian tax resident is liable to taxation in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income-tax Act, 1961 ("**Income Tax Act**").

- b. A person who is treated as non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India sourced income or income received by such person in India. In case of shares of a Company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since Freshrop Fruits Limited is incorporated in India, the shares of Freshrop Fruits Limited would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the Income Tax Act. Further, the non-resident can avail the beneficial provisions of the Double Taxation Avoidance Agreement ('**DTAA**') between India and the respective jurisdiction of the shareholder subject to meeting relevant conditions and providing and maintaining necessary information and documents as prescribed under the Income Tax Act.
- c. The Income Tax Act also provides for different tax regimes/ rates applicable to the gains arising on buyback of shares, based on the period of holding, residential status and category of the shareholder, nature of the income earned, etc. The summary tax implications on buyback of listed equity shares on the stock exchange is set out below. All references to equity shares in this note refer to listed equity shares unless stated otherwise.

21.6 CLASSIFICATION OF SHAREHOLDERS

- a. **Shareholders can be classified under the following categories:**
 - i. **Resident Shareholders being:**
 - (A) Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI)
 - (B) Others
 - ii. **Non Resident Shareholders being:**
 - (A) Non Resident Indians (NRIs)
 - (B) Foreign Institutional Investors (FIIs)/ Foreign Portfolio Investors (FPIs)
 - (C) Others:
 - Company
 - Other than Company

21.7 CLASSIFICATION OF INCOME

- a. Shares can be classified under the following two categories:
 - i. Shares held as investment (Income from transfer taxable under the head "Capital Gains")
 - ii. Shares held as stock-in-trade (Income from transfer taxable under the head "Profits and Gains from Business or Profession")
- b. Gains arising from the transfer of shares may be treated either as "capital gains" or as "business income" for tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Traditionally, the issue of characterisation of income arising from sale of shares has been a subject matter of litigation with the tax authorities. There have been various judicial pronouncements on whether gains from transactions in securities should be taxed as "business profits" or as "capital gains". However, these pronouncements, while laying down certain guiding principles have largely been driven by the facts and circumstances of each case. Recently, the apex body of Income-tax has issued Circular No. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock-in-trade, the income arising from the transfer of such shares would be treated as its business income. Also, if such shares are held for a period of more than 12 months, if the taxpayer desires to treat the income arising from the transfer thereof as "capital gains", the same shall not be put to dispute by the Tax Officer provided such stand is consistently followed by the taxpayer in subsequent years.

- a. Further, investment made by FII/FPI in any securities in accordance with the regulations made under the Securities Exchange Board of India Act, 1992 would be treated as capital asset under the provisions of the Income Tax Act.

21.8 SHARES HELD AS INVESTMENT

- a. As per the provisions of the IT Act, where the shares are held as investments (i.e. capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains on Buyback of shares are governed by the provisions of section 46A of the IT Act and such capital gains in the hands of shareholders would be computed as per provisions of section 48 of the IT Act. The provisions of Buyback tax under section 115QA in Chapter XII-DA of the IT Act do not apply for shares listed on the Recognised Stock Exchange in India and hence exemption under section 10(34A) is not available to the eligible shareholder. **(Please refer paragraph below pertaining to amendment made by Finance (No. 2) Bill, 2019).**

- b. **Period of holding**

- i. Depending on the period for which the shares are held, the gains would be taxable as ‘short term capital gain’ or ‘long term capital gain’:

(A) In respect of equity shares held for a period less than or equal to 12 months prior to the date of transfer, the same shall be treated as a ‘short-term capital asset’, and the gains arising therefrom shall be taxable as ‘short term capital gains’ (“STCG”).

(B) Similarly, where equity shares are held for a period more than 12 months prior to the date of transfer, the same shall be treated as a ‘long-term capital asset’, and the gains arising therefrom shall be taxable as ‘long-term capital gains’ (“LTCG”).

- c. **Buyback of shares through a recognized stock exchange**

With effect from April 1, 2018, LTCG would be as per the provisions of Section 112A, as summarised below:

- a. Long Term Capital Gains arising from transfer of equity share of a company or unit of an equity-oriented fund as defined or unit of a business trust shall be taxed at 10% of such capital gains exceeding Rs. 1 Lakhs.
- b. The Long Term Capital gains will be calculated without giving effect of Indexation.
- c. The concessional rate of 10% will be applicable if:
 - i. In case of equity share in a company, if security transaction tax has been paid on both acquisition and transfer of such capital asset; and
 - ii. In case of unit of an equity-oriented fund or unit of a business trust, if security transaction tax has been paid on transfer of such capital asset
- d. The cost of acquisition in respect of Long term capital asset acquired before 01/02/18 shall be deemed to be higher of:
 - i. Actual cost of acquisition of such asset; and
 - ii. Lower of:
 - Fair market value as defined of such asset as on 31/01/18
 - Full value of consideration received or accruing as a result of transfer of the capital asset
- e. The benefit of Chapter VI-A deductions and rebate u/s 87A shall not be available against such Capital gains and tax thereon CBDT issued a FAQ on 04/02/18 explaining the new provisions;

However, in this regard, section 112A will not apply if equity shares are acquired on or after October 1, 2004 and STT was not paid except in situations provided in Notification No. 60/2018/F. No. 370142/9/2017-TPL dated October 1, 2018, namely:

- a. where acquisition of existing listed equity share in a company whose equity shares are not frequently traded in a recognized stock exchange of India is made through a preferential issue

- (iii) under employee stock option scheme or employee stock purchase scheme framed under the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- (iv) by any non-resident in accordance with foreign direct investment guidelines of the Government of India;
- (v) in accordance with Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulation, 2011;
- (vi) from the Government;
- (vii) by Category I or a Category II Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternative Investment Fund) Regulations, 2012 or a qualified venture capital fund referred to in section 10(23FB) or a Qualified Institutional Buyer, etc.

- c. Where Section 112A is not applicable, LTCG will be chargeable to tax for resident Individuals at 20% with indexation or at 10% without indexation, along with the rebate as is applicable.

STCG arising from such transaction would be subject to tax at 15% under section 111A of the IT Act. Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the income-tax on such STCG taxable under section 111A of the IT Act.

In addition to the above STCG tax, surcharge, education cess and secondary and higher education cess are leviable (Please see this document for rate of surcharge and cess).

Non-resident shareholders can avail benefits of the DTAA between India and the respective country of which the said shareholder is a tax resident subject to satisfying relevant conditions (including non-applicability of GAAR) and providing and maintaining necessary information and documents as prescribed under the IT Act.

As an overall point, since the Buyback is to be undertaken on the BSE, such transaction is chargeable to the STT. STT is a tax payable in India on the value of securities on every purchase or sale of specified securities that are listed on the Recognised Stock Exchanges in India. Currently,

the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of the security.

MAT implications would get triggered in the hands of the resident corporate shareholder.

Shareholders should consult their own tax advisors in relation to the foregoing. Shareholders should also consult their respective Seller Members regarding whether such Seller Members intend to withhold taxes in respect of the foregoing.

21.9 SHARES HELD AS STOCK-IN-TRADE

- a. If the shares are held as stock-in-trade by any of the shareholders of the Company, then the gains would be characterized as business income and taxable under the head "Profits and Gains from Business or Profession. In such a case, the provisions of section 46A of the Income Tax Act will not apply.
- b. **Resident Shareholders**
 - i. For individuals, HUF, AOP, BOI, profits would be taxable at slab rates.
 - ii. Domestic companies, the tax rate applicable is based on their applicability and option availed by them which range from 22% to 30%.

- b. **In case of Non-resident Shareholders**

In case of FPIs: Section 196D of the Act provides for specific exemption from withholding tax in case of capital gains arising in hands of FPIs. Thus, no withholding of tax is required in case of consideration payable to FPIs

In case, other than FPIs:

 - i. Section 195(1) of the IT Act provides that any person responsible for paying to a non-resident, any sum chargeable to tax is required to deduct tax at source (including applicable surcharge and cess). Subject to regulations in this regard, wherever applicable and it is required to do so,

In doing this, the Company will be guided by generally followed practices and make use of data available in its records except in cases where the non-resident shareholders provide a specific mandate in this regard.

- ii. Since the buyback is through the stock exchange, the responsibility of discharge of the tax due on the gains (if any) is primarily on the non-resident shareholder. It is therefore important for the non-resident shareholders to suitably compute such gains (if any) on this transaction and immediately pay taxes in India in consultation with their custodians/ authorized dealers/ tax advisors appropriately.
- iii. The non-resident shareholders undertake to indemnify the Company if any tax demand is raised on the Company on account of gains arising to the non-resident shareholders on Buyback of shares by the Company.
